

### REMARKS

This amendment is being filed prior to payment of the issue fee. Entry of the foregoing amendment is respectfully requested. This amendment is made in response to a Notice of Drawing Inconsistency with the Specification, dated June 26, 2009. The Notice asserts that while Figure 1C is present in the drawings, there is no description of Figure 1C in the specification.

Figure 1 shows a sequence which spans three pages. Page 1 of the figure is labeled FIG. 1A, page 2 of the figure is labeled FIG. 1B and page 3 of the figure is labeled FIG. 1C. However, the description of Figure 1 refers only to FIG. 1A and FIG. 1B. Applicants have amended the specification to include reference to Figure 1C.

*Enclosed is a substitute Declaration, which was requested by the Examiner at page 2 of the Notice of Allowance.*

The amendment adds no new matter and does not change the scope of the claims. Accordingly, entry of the amendment is respectfully requested.

It is believed that no fees are due in connection with this Rule 312 amendment. In the event this is not correct, the undersigned authorizes the Commissioner to charge Deposit Account No. 19-0741.

Respectfully submitted,
